WELCOME MESSAGE FROM PRESIDENT ALLEN BOTTORFF

Welcome to Florida Educational Facilities Planners Association's 2018 Spring Newsletter. On behalf of the FEFPA Board of Directors, I want to thank you all for your continued support of and participation in the organization. A special thanks goes out to those who attended and helped make the Winter Conference in February such a great success! For over 50 years, the focus of FEFPA has been to provide a forum for facilities professionals and industry leaders to exchange ideas and build relationships that we believe ultimately improves and positively impacts the learning environment for our faculty and students.

The 2018 Winter Conference, held again at the Hammock Beach Resort, was an outstanding event! Thank you to all of our Sponsors for their continued support. The Program Committee developed a great program with a variety of CEU's. We received great feedback about our Keynote Speaker, Mr. Bill Latham - co-author of the book *Humanizing the Education Machine*, who provided us with an insight into the cultural, philosophical, and systematic shifts needed in the 21st century classroom. The featured exhibit at the conference was the Architectural Showcase, which is subject of its own article in this newsletter by Dane Theodore!

The 2018 Summer Conference will be held at the Boca Raton Resort and Club (July 9-12). Mr. Kirk Stetson will provide you more about this outstanding facility in his article. Be sure to make your room reservations early using our online registration services – the room blocks typically sell out early for the Summer Conferences. The exhibit hall for the conference is selling fast so with location selection on a first come, first served basis, we recommend you sign up and reserve your spot soon!

As has been my platform for my presidency, our Board and I are truly interested in your feedback on how FEFPA and we are doing. On March 4th, the FEFPA Membership Feedback Survey was sent out as a way to give you a clear voice back to us. If you have not replied back to it as yet, please take the time to do so. If you haven't received it, please send me an email so that I can send it to you directly. My email address is allen.bottorff@ucf.edu - I'd love to hear from you about how to make FEFPA a better organization for you! I invite you to look at our website www.fefpa.org to learn more about FEFPA, our current & past programs, and our conference events. A complete list of current Board officers, appointed Board representatives and their contact information is provided at the end of this newsletter.

Please make plans to join us in July. We are looking forward to seeing familiar faces and meeting new ones. Until then, we wish you continued success this year!

- Allen

FEFPA CONFERENCE PROGRAM

The 2018 Florida Educational Facilities Planners' Association Winter Conference was held at the Hammock Beach Resort in Palm Coast. The three-day program was well attended and included a number of old friends, familiar faces, and even some new folks interested in the Association and the Conference. We continue to listen to our membership and provided you with opportunities to refresh ideas, learn about new trends and successes, and grow professionally.

We promise to continue striving to create a Conference that provides you a place to exchange ideas as well as impactful programming that motivates your professional growth. As we gear up for the 2018 Summer Conference, the agenda will feature a number of relevant and useful workshops, speakers and networking activities. Sessions are anticipated to include a line-up of accredited courses around areas like:

- School Safety and Security
- Sustainability and Wellness
- Innovative Technologies for use in Design and Construction
- Building Strong Teams
- School Planning and Community Partnerships

As has become a keystone, we will provide you opportunities to have round table discussions and, of course, keep you informed of all that's happening in Tallahassee with our Florida Department of Education, Building Code, and Legislative Updates. Please be sure to stay connected by visiting our website www.fefpa.org as we draw closer to the conference and round out our full agenda which will post in May.

We're always in search of building our presentation and program base and encourage submittal of new and current subject matter. Let us know what would be helpful and what we can do to serve your development needs.

We look forward to seeing you at the **Boca Raton Resort and Club**, July 9th – 12th!

ARCHITECTURAL SHOWCASE

The Architectural Showcase at the 2018 Winter Conference was, once again, an exhibition of creativity and innovation in cutting-edge school facility design. The projects submitted this year continue to raise the bar in transforming the educational environment in Florida.
