## WELCOME MESSAGE FROM PRESIDENT DEBORAH CZUBKOWSKI

Dear FEFPA Family,

Thank you to all who joined us at our 2023 Winter Conference at Hammock's Beach. It was the most attended winter conference yet! The Speed Networking event was a success. Due to popular demand, we plan in having it again at our 2024 winter conference.

As we approach our **60<sup>th</sup> Anniversary**, we continue to be the number one place to network with Florida Educational Members and Industry Partners. We continue to look for ways to stay up-to-date and offer the latest industry related information. Some of the new events/sessions you will see this summer consist of 3 round table discussions (K-12, Colleges, and Universities); additional FDOE presentations; a **Cruise Themed President's Dinner** and a few additional surprises.

We invite you to continue to get involved whether it is by being a sponsor, submit a project to our Architectural Showcase, sponsoring a FEFPA Student Scholarship or by submitting an educational presentation. This year, as we prepare for our big **60<sup>th</sup> Anniversary Celebration**, we invite you to continue to submit successful stories of business conducted through networking and friendships developed through the years from attending the conferences. The link to submit your personal stories in our website at FEFPA.org.

Our Sponsor participation continues to increase every year. We encourage you to reach out to our Associate Representative, Melanie Cornell during our summer conference to sign up for the 2024 Summer Conference as space is limited. A big shout out and thank you for her relentless effort and attention to detail assuring FEFPA meets our sponsorship goals and sponsors needs are realized. We continue seeking ways to improve both our vendor and conference attendee experience, so feel free to contact Melanie or one of the Board members with your comments and recommendations.

If you are a first-time attendee, we invite you to join us for lunch on July 10, 2023, at 11:30 AM for a brief overview of the association. Please make sure to add your name to the list at the registration counter. We look forward to meeting you! Please feel free to contact me directly with comments to help us continue to address your professional interests, needs and ideas on how to make FEFPA a better organization. Visit our website [www.fefpa.org](http://www.fefpa.org) to learn more about FEFPA, our programs, and conference events. Be sure to read on as additional details pertaining to FEFPA and forthcoming conferences follow in this newsletter.

In closing, **the conference registration link is now available at FEFPA.org**. Please make your hotel reservations early using our online registration services. We are looking forward to seeing you July 10 -13, 2023!

## FEFPA CONFERENCE PROGRAM

It was a great pleasure to see you at the Winter Conference in Palm Coast! Thank you for your continuing support to the organization and for your interest in making our industry better. We had a few new events added to the program and by popular demand, we will have the Speed Networking Event again next year.

We are very excited for this 2023 Summer Conference Program. Our keynote speaker will bring laughter, entertainment, and insight on how to elevate the customer experience. For ten years Patrick Henry was a Nashville songwriter and humorist on the SiriusXM Radio Comedy Channels. His creativity and innovation led his career to evolve. Patrick says, "Whether you're performing a song or selling weedkiller, it's about connecting with a story and making the listener the hero of that story". Patrick's is passionate about speaking to companies and associations about how to elegantly elevate their brand through innovation, integrity, and a common-sense approach to customer service.

We are in the process of reviewing presentations and will be contacting the presenters selected by May 12, 2023. We hope we continue to fulfill your interests. In addition to the presentations by our members, we will have CEU opportunities for planners, architects, inspectors, building officials, engineers, contractors, and interior designers. We will also have additional FDOE presentations including FISH and other very important topics to all. FDOE will also present the latest news and/or legislative updates.

Our President's Dinner will have a little different flare this year. Please bring your cruise wear and be ready to relax to a few Jimmy Buffet songs and other inviting tunes from our keynote speaker Patrick Henry.

If you are a first-time attendee, we invite you to join us for lunch on July 10, 2023, at 11:30 AM for a brief overview of the association. Please make sure to add your name to the list at the registration counter. We look forward to meeting you!

We are interested in continuing to improve our program. I look forward to hearing from all of you in how we can better serve you and provide for your professional growth.

## ARCHITECTURAL SHOWCASE

The 2023 FEPA Winter Conference Architectural Showcase once again proved to be an exhibition of outstanding creativity and innovation in school facility design. The projects submitted this year were representative of all corners of the state. These outstanding projects will contribute to their institution's academic success and inspire our educational members to raise their design standards for future facilities.
